Local and Miscellaneous.

Be true to soft music when
Of love and peace thou art singing;
But demand be thy point, my pen,
When crime's dumb bells are round thee ring.

BUSINESS IN AUSTIN, NEVADA, says the
Reveille, is brisk.

GOAK.—Jeff Davis has taken Fortness
Monroe—that is, a cell.

RIPE PEARS.—The Los Angeles News
says pears are already ripe in that vicinity. They are at Sacramento also.

COPIES OF THE VERDETTE can be bought
at Gray's Bookstore, nearly opposite
the telegraph office.

REDUCTION OF EXPENSES.—Since the
surrender of Lee and his army, the Government
expenses have been cut down
\$1,000,000 per day.

GRAMMATICALLY EXPRESSED.—The true
Union man is he who is ready to rally
round the flag and comes quare up to the
Baltimore Platform.

THE population of Nevada, Cal., were
somewhat excited over very rich gold
specimens the other day. Cement filled
with pieces of gold sizing from a pin
head to a pigeon's egg was the matter.

An "Agricultural Society," composed
principally of Spaniards, is forming in
Virginia, Nevada, for the purpose of
going to Mexico to aid Maxy in tilling the
soil of that "salubrious region!"

SPEAKER GOLFAX is expected to deliver
a lecture before the Old Fellows' Association
at Virginia city, Nevada; and is
also expected to deliver the Fourth of
July Oration at San Francisco. He can
do it.

At Virginia, Nevada, it must be
mightily lively. They have two theatrical
houses open—Maguire's Opera House
and the Music Hall, besides a lot of
hardy gurdies, and a dog fight semi-
occasionally.

EUROPEAN journals are praising highly
Miss Anna Sontag, daughter of one of
the leading florists of San Francisco.
She has been singing at Leipzig, Germany,
and bids fair to take a leading
rank among the vocal celebrities of the
day. The young lady is a California
production.

The vast bulk of silver produced in
Mexico is shipped to England—a mere
trifle reaching New York. Early in
March last, the British West India mail
steamer landed at Southampton \$1,985,000
in Mexican dollars, received from
Vera Cruz, and another shipment of
nearly a million immediately followed.

CHARLES O'CONNOR.—This ancient New
York pettifogger has offered his services
to Jeff. In accordance with Jeff's latest
assumed character, it would, probably,
be more proper to say that he has offered
Jeff his arm. O'Connor will probably
be the next Democratic candidate
for New York city attorney.

A New York speculator recently went
to Richmond for the purpose of investing
in real estate. He returned without
purchasing, and informed the Tribune
of the reason. Buildings and lots have
already been put up to a high figure,
the prices in many instances being three
times that charged before the war. Lots
in the burnt district cannot be had except
at prices as great as those charged a
year ago for the same lots with the buildings
on them. This is a voluntary tribute
of the people to Yankee enterprise
and thrift. The only answer to any protest
against the extortion being, "Times
are changed; this year is going to be a
big city now, you've heard come."

United States.
7.30 LOAN.
Third Series.
\$230,000,000.

By authority of the Secretary of the Treasury,
the undersigned, the National subscription
Agent for the sale of United States securities,
offers to the public the third series of Treasury
Notes, bearing seven and three-tenths per cent.
interest, or annum, known as the

7.30 LOAN.
These notes are issued under date of July 15,
1865, and are payable three years from that date
in currency, or are convertible at the option of
the holder into

U. S. 5.80 Six per Cent.
Gold bearing Bonds.

The Bonds are now worth a handsome premium,
and are exempt, as are all the Government
Bonds, from County, and Municipal taxation,
which adds from one to three per cent. per annum
to their value, according to the rate levied
upon other property. The interest is payable
semi-annually by coupons attached to each note,
which may be cut off and sold to any bank or
banker.

The interest at 7.30 per cent., amounts to
One cent per day on a \$50 note.
Twenty cents " " " " \$100 note.
Ten cents " " " " \$500 " "
Twenty cents " " " " \$1,000 " "
One Dollar " " " " \$5,000 " "

Notes of all the denominations named will be
promptly furnished upon receipt of subscriptions.
The notes of this Third Series are precisely
similar in form and privileges to the Seven
Thirties already sold, except that the Government
reserves to itself the option of paying interest
in gold, or in currency, at its discretion. The
7.30th in currency. Subscribers will deduct
the interest in currency on to July 15th at the
time when the subscription is made.

The delivery of the notes of this third series
of the seven thirties will commence on the first
of June, and will be made promptly and continuously
after that date.

The slight change made in the conditions of
this THIRD SERIES affects only the matter of
interest. The payment in gold, if made, will be
equivalent to the currency interest of the higher
rate.

The return to specie payments, in the event of
which only will the option to pay interest in
gold be availed of, would so reduce and equalize
prices that purchases made with six per cent.
in gold would be fully equal to those made with
seven and three-tenths per cent. in currency.
This is

The only Loan in the MARKET.
Now offered by the Government, and its superior
advantages make it the

Great popular Loan of the People.
Less than \$230,000,000 of the Loan authorized
by Congress are now on the market. This
amount, at the rate at which it is being absorbed,
will all be subscribed for within sixty days,
when the notes will undoubtedly command a
premium, as has uniformly been the case on
closing the subscriptions to other Loans.

In order that citizens of every town and section
of country may be offered facilities for taking
the Loan, the National Banks, State Banks,
and private Bankers throughout the country
have generally agreed to receive subscriptions
at par. Subscribers will select their own agents,
in whom they have confidence, and who only
are to be responsible for the delivery of the notes
for which they receive orders.
